IV. OVERVIEW OF VA

VA is the second largest Department in the federal government of over 340,000 employees. Its mission is to fulfill President Lincoln’s promise “To care for him who shall have borne the battle, and for his widow, and his orphan” by serving and honoring the men and women who are America’s Veterans. VA is comprised of a Central Office (VACO), located in Washington, DC, and field facilities located throughout the Nation, as well as the U.S. territories and the Philippines. VA’s mission is carried out through three major sub-component organizations: Veterans Health Administration (VHA), Veterans Benefits Administration (VBA), and the National Cemetery Administration (NCA).

The Office of Diversity and Inclusion (ODI) is an organization within the Office of Human Resources and Administration in VACO, whose mission is to build a diverse workforce and cultivate an inclusive workplace to deliver the best services to our Nation’s Veterans, their families, and beneficiaries. To that end, ODI developed the SOAR initiative as a key strategy to increase diversity outreach and facilitate employment, internship, and educational opportunities in VA for diverse students from Minority Serving Institutions, Hispanic Serving Institutions, and other postsecondary educational institutions.
